## INTO THE BLUE

Monday, August 2, 2021 to Monday, August 30, 2021

Our group show, as its name suggests, is focusing on the colour BLUE. What do we associate with this wonderful colour? Some think about the holidays at the sea, others about the endless sky and the summer. We associate blue with a feeling of peacefulness and with hope. Blue often symbolizes serenity, stability, inspiration and reliability.

Although a cold colour, it seems to be one of the most loved shades – also in art. Seven gallery artists are presenting some of their most beautiful artworks in blue shades – be invited to visit the show and dive into the blue!
